PETER SEIDLER

CHAIRMAN

Peter Seidler is the Owner and Chairman of the San Diego Padres. Peter and the Padres' primary objective is to win the World Series. He expects to field an athletic, exciting, and winning team every year that will provide postseason thrills and a best-in-class family and fan-friendly experience at Petco Park. Additionally, the Padres will continue to be active charitably through the Padres Foundation and partner with top organizations across San Diego to help lead positive, long-lasting impact in the community.

Seidler is a founder and Managing Partner of Seidler Equity Partners ("SEP"), a family-oriented private equity fund that provides capital and management support to growing entrepreneurial companies across the United States and Australia. SEP was established in 1992 and manages equity capital with a market value of approximately $4 billion. SEP has backed proven entrepreneurs with strategic support and equity capital in a variety of industries, including health/fitness, advertising, scuba diving/recreation, printing equipment, children's clothing and automotive products. The firm's philosophy is to apply a long-term and patient-strategic approach in helping entrepreneurs and the companies they have founded and built continue on a path of success, job creation and excellence. In 2018, SEP (in partnership with Major League Baseball and the Seidler family) acquired Rawlings Sporting Goods Company Inc. Seidler currently sits on Major League Baseball's Ownership Committee and Investment Committee.

In 2017, in collaboration with San Diego's political, business and philanthropic leaders, Peter formed a "Tuesday Group" that meets weekly to address San Diego's homeless problem. The primary aspect of the Tuesday Group is to help the most vulnerable segments of the homeless population. His efforts to push San Diego to "best practices" on homelessness resulted in recognition as the 2017 San Diego Public Official of the Year by the Building Owners and Managers Association, the 2017 San Diego Nice Guy of the Year, the National Conflict Resolution Center 30th Annual Peacemaker Award (2018), and the 2018 San Diego Downtown Partnership Founder Award. In 2019, Peter joined the board of directors at VVSD and was one of two private citizens added to "Leadership Council" on San Diego's Homelessness Reduction Plan. Peter was named the 2022 San Diegan of the Year by the San Diego Union Tribune and was honored with the Herb Klein Spirit of San Diego Award by the San Diego Regional Chamber of Commerce in 2023.

As a two-time cancer survivor (Non-Hodgkin's Lymphoma), Peter and his wife, Sheel, focus their philanthropic activities on health and medical matters, particularly on children impacted by homelessness. They support numerous charities, including The Juvenile Diabetes Research Foundation, The American Cancer Society, Home Start (San Diego's charity targeting the prevention of child abuse) and various health and wellness initiatives at The Mayo Clinic in Rochester, Minn. Peter is a significant donor and a founding member of the Stand Up To Cancer Legacy Endowment Circle and a primary donor to the Lucky Duck Foundation (San Diego's leading homelessness charity). Seidler is a member of the Board of Trustees and chairs the Student Affairs Committee at The University of San Diego and is also a member of the Board of Trustees at Sanford Burnham Prebys Medical Discovery Institute (SBP), an independent non-profit medical research organization in La Jolla, CA.

Seidler earned a bachelor's degree in commerce from the University of Virginia and a Master of Business Administration from the University of California, Los Angeles.

ERIK GREUPNER

CHIEF EXECUTIVE OFFICER

Erik Greupner was promoted to his current post of chief executive officer in January 2021. Greupner oversees the Padres' business operations and leads the growth and development of the club's business and culture. 2023 marks his 13th season in San Diego after joining the club in December 2010. During his tenure as CEO, the Padres have consistently ranked in the top five among all Major League Baseball clubs in attendance, set Petco Park's season ticket record, franchise records in all local revenue categories, and were the first MLB club to secure a jersey patch partner.

Prior to assuming the role of CEO, Greupner served as president of business operations from December 2018 through December 2020 and chief operating officer from November 2016 to November 2018. While serving in those posts, he guided the club through the COVID-19 pandemic, led the club's successful effort to secure the development rights for a transformational multi-use real estate project on Tailgate lot, and oversaw the team's business operations, including all revenue generation. Under Greupner's leadership, the Padres set sponsorship, group ticketing, single game, opening series and non-baseball event revenue and attendance records. Additionally, Petco Park was renovated and improved while earning USA Today's ranking as the No. 1 ballpark in MLB. During this time, the Padres also positively impacted the San Diego community through supporting racial justice efforts and frontline workers during the pandemic, including launching California's first COVID-19 super vaccination site at Petco Park.

Greupner served in various roles for the Padres from December 2010 to November 2016. During this time, he led the lobbying efforts and negotiations that resulted in the Padres amending its lease with the City of San Diego to significantly increase the number of non-baseball events at Petco Park and create a positive economic impact on the City. Greupner also led the negotiations of a new long-term lease and construction of the Padres' Spring Training facility and renovated stadium in Peoria, Arizona. Finally, Greupner's efforts during this time were instrumental in securing the 2016 MLB All-Star Game in San Diego.

Prior to joining the Padres, Greupner worked as a corporate and transactional attorney with the international law firm Gibson, Dunn & Crutcher LLP. While at Gibson Dunn, he advised senior management of public and private companies in general corporate matters, acquirers and targets in mergers and acquisitions transactions, and institutional investors and fund sponsors in the formation and operation of private investment funds.

Prior to his time with Gibson Dunn, Greupner worked in sales management roles with Goldman Sachs & Company and Scudder Weisel Capital, LLC.

Greupner earned his Juris Doctor degree magna cum laude from the University of San Diego School of Law, where he was a member of the Order of the Coif. He served as a judicial intern for the Honorable M. Margaret McKeown, U.S. Court of Appeals, Ninth Circuit.

A native of Minneapolis, MN, Greupner graduated cum laude from Wheaton College, Illinois with a Bachelor of Arts degree in philosophy and communications. During his four years at Wheaton, Greupner was a defensive back and receiver for the Thunder football team. He currently serves on the board of trustees of the Rady Children's Hospital Foundation, MLB's International Committee and the President's Working Group of the Business and Media Board. He and his wife, Laura, have a son, Thomas, and two daughters, Ella, and Kate.

A.J. PRELLER

PRESIDENT OF BASEBALL OPERATIONS & GENERAL MANAGER

A.J. Preller was promoted to his current position of president of baseball operations and general manager in February 2021. He originally joined the Padres as executive vice president/general manager on August 6, 2014, making him the 5th-longest tenured GM in Major League Baseball.

Under his leadership, the Padres reached the National League Championship Series in 2022, marking the first time the club advanced to the NLCS in 24 years (1998). San Diego defeated the New York Mets, 2-1, in the Wild Card Series and beat their division rival Los Angeles Dodgers, 3-1, in the NLDS before falling to the Philadelphia Phillies, 4-1, in the NLCS. The club ended a 14-year postseason drought in 2020 with a 37-23 (.617) regular season record, their best winning percentage in club history. After finishing the season with the second-best record in the National League, the Padres defeated the St. Louis Cardinals in the NL Wild Card Series, their first postseason series win since 1998 and the first postseason series win at Petco Park.

Over his tenure, Preller has overseen the acquisition of a significant level of talent through various channels. He signed marquee free agents, including Manny Machado, Xander Bogaerts, Eric Hosmer, Ha-Seong Kim, Matt Carpenter and Drew Pomeranz. Across multiple years, he executed trades netting a talent haul of Juan Soto, Fernando Tatis Jr., Yu Darvish, Blake Snell, Joe Musgrove, Josh Hader, Jake Cronenworth, Trent Grisham, Austin Nola, Wil Myers, Mike Clevinger, Sean Manaea, Josh Bell, Brandon Drury, Chris Paddack and Luke Voit. Along with the professional scouting group, Preller mined the waiver wire and minor league free agency to find key bullpen pieces and eventual All-Stars in Kirby Yates and Brad Hand along with Craig Stammen. Under his direction, the amateur scouting department has drafted several consensus top prospects, including MacKenzie Gore, C.J. Abrams, Luis Campusano, Robert Hassell, Ryan Weathers, Jackson Merrill and James Wood, while the international scouting staff signed Adrian Morejon, Luis Patino, Gabriel Arias, Michel Baez, Jorge Ona, Reginald Preciado, Ismael Mena and Tucupita Marcano.

While constructing a winning Major League roster, Preller has also strengthened and preserved the club's farm system, earning a Top 3 ranking from 2019 through 2021. The Padres made history in 2019 with a record-breaking 10 players on MLB Pipeline's Top 100 Prospects list.

Prior to his time in San Diego, Preller served as assistant general manager of the Texas Rangers, overseeing the player development and scouting departments and serving as a key advisor on all player acquisitions. Over 10 years in Texas, Preller was integral to the Rangers' efforts to upgrade the talent level throughout the system, playing an instrumental role in the club's consecutive World Series appearances in 2010-11, as well as in the construction and organization of the Rangers' development program in the Dominican Republic. From 2010-13, he served as a senior director of player personnel, overseeing professional, international and amateur scouting.

QUICK HITS

GREAT DAY FOR A DEBUT The 7th overall pick in 2018, who hadn't pitched above A ball, made his ML debut in Game 1 of the NLDS vs. LAD on October 6, 2020 (1.1 IP, 2 BB, SO).

THAT JUST HAPPENED At 20 years and 294 days old, he became the 1st Padre to ever make their ML debut in the Postseason, the 5th player in ML history to debut in the Postseason and the 2nd-youngest to ever debut in the Postseason (KC's Adalberto Mondesi, 20.095 in '15).

LIKE FATHER, LIKE SON Is the son of 19-season MLB veteran and 1996 NYY's World Series Champion, David Weathers.

TENNESSEE'S FINEST The Gatorade Tennessee Baseball High School Player of the Year went 10-0 with a 0.09 ERA and 148 strikeouts in 76.0 innings as a senior in 2018.

GOOD AS GOLD Won a gold medal with Team USA at the 2017 U-18 World Cup in Canada, posting two scoreless outings.

2022 SEASON

- Spent the majority of his season with El Paso (AAA), establishing career highs in appearances (31) and innings pitched (123.0) and tying his career high in starts (22, also: 2019 w/ Single-A Fort Wayne).
- Posted a 6.73 ERA (92 ER, 123.0 IP) and Triple-A opponents hit .328 against him...his 31 home runs allowed were the 3rd-most in all levels of minor league baseball, trailing only Las Vegas' Parker Dunshee (38) and Greenville/Portland's Brian Van Belle (32).
- Made 22 consecutive starts from April 7-Aug 23, going 6-7 with a 6.67 ERA (83 ER, 112.0 IP) and .325 opp. AVG...made 9 consecutive relief outings to finish the season, going 1-0 with a 7.36 ERA (9 ER, 11.0 IP) and a .356 AVG.
- Reached 200 strikeouts in his professional career with his third and final strikeout April 22 at Las Vegas.
- Recalled from ELP on June 15 for his 19th ML start...allowed 4 ER and 4 BB while striking out 3 across 3.2 IP vs. CHC at Wrigley Field in SD's 19-5 victory...optioned back to ELP the following day.
- Tossed a minor league career-high 7.0 IP twice, once on May 4 at Sugar Land (3 H, 1 ER) and the other coming on July 7 at Sugar Land (9 H, 3 ER).

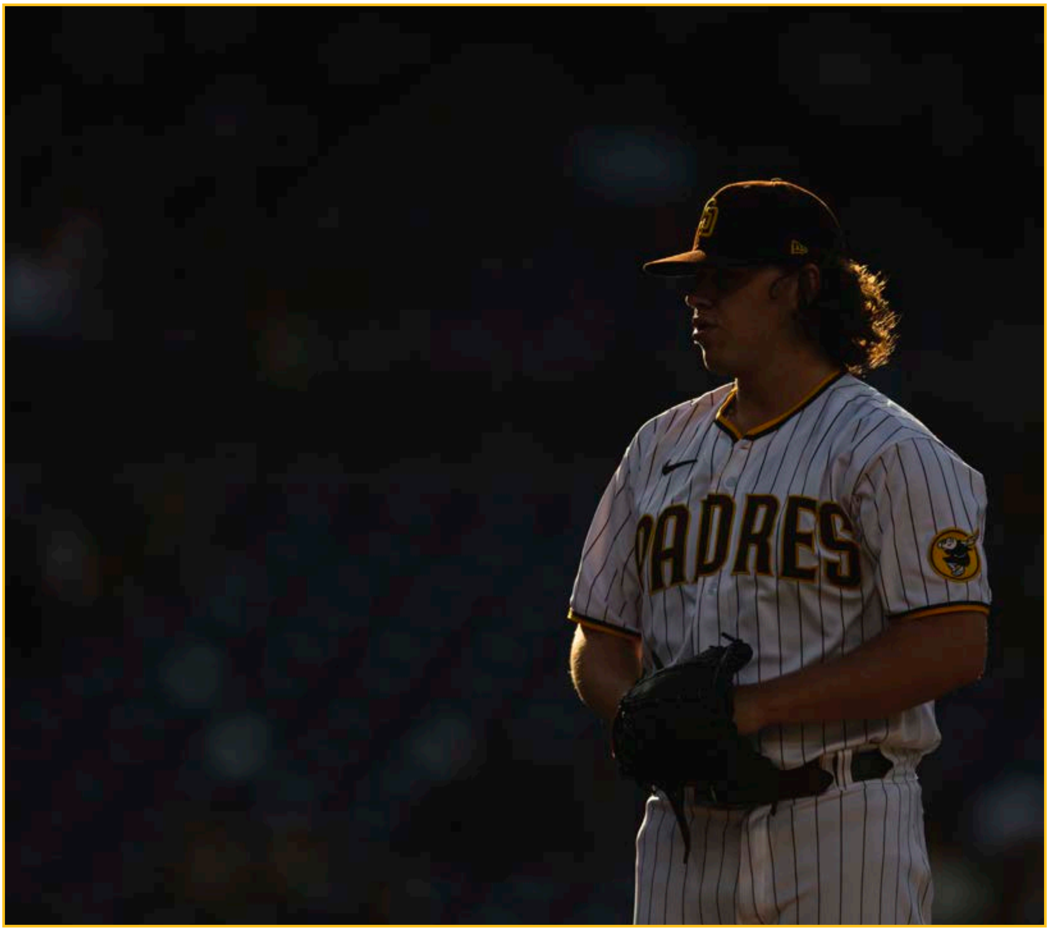

ACCOLADES

Midwest League Post-Season All-Star (2019, Fort Wayne)

2021

- Received the first regular season action of his career after making his ML debut in the 2020 Postseason, going 4-7 with 1 save and a 5.32 ERA (56 ER, 94.2 IP), 1.38 WHIP and .279 opp. AVG across 30 total appearances (18 starts).
- Led MLB in pickoffs (9)...the most in the majors in a single season since Eric Lauer's 10 in 2018...the Padres owned 3 of the highest single-season pickoff totals from 2017-21: Clayton Richard's 8 in '17, Lauer's 10 in '18 and Weathers' 9 in '21.

- He became the 1st pitcher in SD history to allow no more than 3 runs across his first 6 ML starts...3 other pitchers had done that in the majors in recent years, but they were considered "openers" -- remove those 3 from the equation, and the last starter to allow 3 runs-or-fewer across his first 6 starts was LAD's Fernando Valenzuela in 1981 (pitched 6 CG during the peak of Fernando Mania).
- Allowed 1 hit-or-fewer in 9 of his first 12 career MLB appearances (6 relief app, 6 starts), including Game 1 of the 2020 NLDS vs. LAD.
- On April 3 vs. ARI, he became just the 3rd Padre to earn a save in his 1st career regular season app...in 1985, Gene Walter (August 9) and Lance McCullers (August 12) did so within days of each other...12 days later on April 15 @ PIT, Craig Stammen recorded a 3.0 inn. save, making Weathers and Stammen 2 of just 5 Padres to record a 3.0+ inning save since '99, with Brian Sweeney (Sept. 16, 2006 vs. LAD) being the last Padre to do so.
- Tossed 9.1-combined scoreless innings of 2-hit ball in back-to-back starts vs. LAD on April 16 and April 22...in his first 4 career appearances vs. LAD (from G1 of the 2020 NLDS thru Sept. 12, 21), he allowed just 1 run across 12.0 IP (0.75 ERA)... allowed 5 runs on 5 hits in 3.0 IP on Sept. 29 @ LAD in his

- In the 2nd half, went 0-5 with a 9.25 ERA (37 ER, 36.0 IP) in 13 app. (7 GS)...SD was on the losing end in each of his final 14 app., including all 13 of his outings in the 2nd half.
- Exited his final start of the second half after just 2.0 IP and 29 pitches after injuring his ankle in the 3rd inning...placed on the 10-day IL on July 16 (retro: July 13) with right ankle inflammation, his only IL stint of the season.
- Faced the Marlins in his 1st app. of the 2nd half on July 24, tossing 4.0-shutout IP of 2-hit ball in SD's 3-2 loss...hit his 1st career HR in the 3rd to give the Padres a 2-0 lead.

POSTSEASON: Made his ML debut in Game 1 of the NLDS vs. LAD on Oct. 6...did not allow a hit across 1.1 scoreless IP (2 BB, SO)...was the 3rd ML player to debut in the 2020 Postseason (MIN Alex Kirilloff on Sept. 30 and TB Shane McClanahan on Oct. 5).

2018

HISTORY & RECORDS

SAN DIEGO PADRES
2023 MEDIA GUIDE

2022 SEASON IN REVIEW

San Diego went 89-73 (.549) in the 2022 regular season, tying with the 1989 and 2007 teams for the fifth-best record in Padres' history and trailing just the following Padres' clubs: 2010 (90-72, .556), 1996 (91-71, .562), 1984 (92-70, .568), and 1998 team (98-64, .605).

The Padres made their 7th Postseason appearance in the team's history, securing their Postseason berth in the 7th inning of the Padres' 2-1 loss to the White Sox on Sunday, October 2nd (as the Brewers fell 4-3 to the Marlins). The Padres joined the 1984, 1996, 1998, 2005, 2006, and 2020 Padres to make the Postseason, and it was their first trip to the Postseason in a full 162-game season since 2006. It was the 2nd time ever (1st since Sept. 28, 2005) in which they celebrated a playoff clinch at Petco Park with fans in the stands (last was in 2020 and previous was in 2006 @ Arizona). It marked Bob Melvin's eighth season as a manager leading his club to the playoffs (2007 with Arizona, and 2012, 2013, 2014, 2018, 2019, and 2020 with Oakland). It was their 1st trip to the Postseason in a full 162-game season since 2006.

San Diego went 45-36 (.556) on the road in 2022 for the 4th best road winning percentage in the National League. The Friar offense plated 4.99 runs per game on the road in 2022, the 3rd best mark in baseball behind the Dodgers (5.25) and Blue Jays (5.14). At Petco Park, they scored just 3.72 runs per game, the 5th fewest run average in baseball at home. Their 301 runs scored at home were their fewest in a season since they plated 267 in 2014.

The Dodgers, who celebrated a franchise-record 111 wins in 2022 (tied for the 4th most wins in MLB history), finished the regular season leading San Diego by 22.0 games. The 22.0 game lead marks the largest gap ever between the top 2 teams in the National League West, besting the Dodgers' 21.0 game lead over the 2nd place Diamondbacks in 2019. Despite going just 5-14 against the Dodgers in 2022, the Padres went 13-13 against National League playoff teams.

The Padres welcomed 2,987,470 fans to Petco Park in 2022, the 5th highest attendance total in all of baseball, trailing just the Dodgers (3,861,408), Cardinals (3,320,551), Yankees (3,136,207), and Braves (3,129,931). The Padres averaged 36,882 fans per home game, also the 5th highest average. Petco Park's 2,987,470 home attendance ranked 2nd all-time in a single season, behind just their 3,016,752 in 2004, Petco Park's inaugural season. The Padres sold out 26 games, a new club record that bested their 24 sellouts in 2004.

After the Padres' 4-0 shutout loss to the D-Backs on Sept. 15, Manager Bob Melvin addressed the team postgame. In his following 17 games since the 2nd game of their series @ Arizona on September 16, Juan Soto hit .302 (19-for-63) with 5 doubles, 3 home runs, 9 RBI, and 12 walks. After going 3-for-4 on Sept. 18 @ ARI. In his 17 games since Sept. 16, Manny Machado has hit .303 (20-for-66) with 12

The Padres' dugout celebration included taking Polaroid pictures. Started by Joe Musgrove, the Padres mounted their pictures on a wall in the Clubhouse.

RBI, a .370 OBP, .530 SLG, and .900 OPS. San Diego went 11-7 since their loss on September 15, out-scoring their opponents 82-52 (a +30 run differential). Padres pitchers have a .195 opponent average and 2.68 ERA from September 16th through the season's end, and Padres' batters logged 20 home runs, slugged .410 and scored 4.6 runs per game in that time.

Juan Soto walked for the 500th time in his career on September 22nd vs. STL, becoming the 1st player since 1906 to walk 500 times before reaching the age of 24. He finished the 2022 season with a Major League-leading 135 walks, 24 more bases on balls than the 2nd ranked player (Aaron Judge's 111 walks). He has 508 walks in 617 career games under his belt, and only two other players in baseball history have had more walks in their 1st 617 games played (Max Bishop's 531 BB and Ted Williams' 535). Soto finished 2022 with a .401 OBP, and he's now had over a .400 OBP in each of his 5 career seasons. He became the 13th player in MLB history to have a .400+ OBP in each of their 1st 5 big league seasons and the 1st to do so since Frank Thomas from 1990-1994.

Manny Machado played in 150 games in 2022, and besides his rookie year in 2012 (played in 51 games) and the 60-game shortened Pandemic season in 2020, he's played in at least 150 games in 8 of his other 9 big league seasons. Since being acquired by SD in 2019, he's played in the most games of any of his teammates (519), which also are the 8th most of any player in the Majors. Since the start of the 2015 season, he's played in 1,156 games, just 2 short of MLB's leader in that time, Paul Goldschmidt (1,158 games).

Manny played 134 games at 3B in 2022 and finished the year hitting .298, becoming the 4th Padre 3B with as many games played at 3rd to hit .298 or higher. He was the 1st Padres 3rd basemen to do so in over a decade (1st since Phil Nevin hit .308 in 2001). In 2022, Machado became 1 of 5 Padres in the team's history to have a 30 homer, 70 extra base hit, 100 run, and 100 RBI season, and he was the 1st to do so since Adrián González's 2007 season. Manny Machado accounted for 14.2 percent of the Padres' runs in 2022 and 15.7% of their extra-base hits, and both percentages were the highest of any National League player accounting for his team's runs & XBHs. On August 15, Manny Machado was awarded NL Player of the Week honors, his 7th-career Player of the Week Award.

At 1:00 pm on August 2, the Padres announced they acquired OF Juan Soto and 1B Josh Bell from the Washington Nationals. It was the 2nd trade the Padres accomplished at the deadline. On August 1, the Padres acquired LHP Josh Hader from the Brewers in exchange for LHP Taylor Rogers, LHP Robert Gasser, RHP Dinelson Lamet, OF Esteury Ruiz. On August 2, the Padres received Soto and Bell from the Nationals in exchange for 1B/DH Luke Voit, SS CJ Abrams, OF Robert Hassell III, LHP MacKenzie Gore, OF James Wood, and RHP Jarlin Susana. The Padres later acquired INF Brandon Drury from the Reds for INF Victor Acosta, and they received LHP Jay Groome from Boston in exchange for 1B Eric Hosmer, INF Max Ferguson, OF Corey Rosier, and cash considerations. To cap the deadline, the Padres breceived C Cam Gallagher from the Royals for OF Brent Rooker.

San Diego starters punched out 918 batters in 2022, besting the 2015 Padres starters' 890 strikeouts for the most in a season. SD finished the year with 84 quality starts, the most of any NL team and the 2nd most in MLB (Astros' 94 QS). Yu Darvish led the NL in quality starts (25), and tied for 2nd in MLB with Toronto's Alek Manoah and behind Houston's Framber Valdez (26). SD starters' .231 opponent AVG was lowest in a full 162-game season in SD history (.229 opponent AVG in 2020 was the lowest). The Padres rotation logged the most innings of any National League teams (901.0 IP), trailing just the Mariners (903.0), Guardians (907.0), and Astros (950.0) for the most in the Majors. It was the 1st time since 2015 in which a Padre club saw their starting staff hit the 900.0 inning mark (most in club history were their 1081.1 IP in 1971).

On August 1, the Padres and San Diego native Joe Musgrove signed 5-year deal through the 2027 season. Musgrove, who authored the club's 1st no-hitter in April of 2021 in Arlington, Texas said, “Me and my dad [were] kind of drawing this thing out back in high school, what it would look like. It was: Get to the big leagues, try to win a championship. Then come to San Diego and bring the first one here and finish my career here...I couldn't be happier.”

The Padres bullpen posted the 14th lowest bullpen ERA in the Majors in 2022 (3.83), and they worked 542.1 innings, the 3rd fewest in the Majors ahead of just the Phillies' pen (531.2 IP) and Astros' (495.1). It was the fewest innings a Padres relief crew had tossed in a full 162- game seasons since 2015 (worked 495.0 innings). Nick Martinez, who made his most recent start on June 18 @ COL, has converted 8 of 9 save opportunities since switching to the bullpen, posting a 2.67 ERA as a reliever. His 54.0 innings pitched rank 2nd among relievers on the Padres' active roster (behind Luis Garcia's 61.0 innings). The Padres went 24-13 in games in which he entered in relief. Martinez finished the season with 8 holds, and he's the only pitcher in MLB history to have 4+ holds and 8+ saves while also making 10+ starts in a single campaign.

The Padres' .382 slugging percentage finished the year ranking 22nd in the Majors, and only 1 other Padre club had ever made the Postseason with as low a slugging percentage (the 1984 Padres had a .371 SLG).

The Padres 11 walk offs in 2022 led the National League and ranked 3rd in the Majors behind the Mariners (13) and Yankees (15). Their 11 walk off wins tie for the 3rd most in a season in Padres' history behind their 13 in 1979 and 15 in 1986. Jorge Alfaro led MLB in walk offs (5), besting Aaron Judge and Josh Donaldson's 4. He had 1 HR, 3 singles, and 1 walk. His 5 walk off RBI were the most in a single season in Padres history, and the record overall is held by Tony Gwynn and Kurt Bevacqua (both had 8 walk offs in their tenure with the Padres). Alfaro also became the 1st catcher to have 5 walk-off RBI in a season since MIL's Ted Simmons' 5 in 1983.

Jake Cronenworth, Joe Musgrove, and Manny Machado all represented the Padres and played in the All-Star Game on July 19 at Dodger Stadium. It was Cronenworth's 2nd consecutive All-Star Game appearance, Joe Musgrove's 1st, and Manny Machado's 6th (and his 3rd as a starter). Machado and Cronenworth both went 0-for-2, and Joe Musgrove pitched the 3rd (hitless, scoreless ball with 2 SO and a BB). Musgrove was named a NL All-Star via voting by players, managers, coaches, and MLB for his 1st-career All-Star nod. Manny Machado edged out Nolan Arenado on July 8 by the fan-elected ballot, and it marked his 6th career All-Star Game and his 3rd as a starter (1st in the NL). Machado had two previous All-Star starts as an American League player with the Orioles, as a 3B in 2016 and as a SS in '18. Cornenworth was selected as a replacement for the NL All-Star team, taking the place of injured Marlins 2B Jazz Chisholm

The Padres had the best record in MLB in 1-run games, going 30-17 (.638) the highest winning percentage in MLB in such games. It trailed just their 31-16 record (.660) in 1974 for the best record in 1-run games in San Diego history.

On July 1st, the Padres unveiled their Nike City Connect Series jersey, becoming the 7th and final MLB club of 2022 to debut the new uniforms. The collection was inspired by the vibrant landscapes in the San Diego and Baja California communities, from the scenic views up and down the coastline, to the ocean's white foam and the stunning pink and yellow sunsets. The Padres debuted the jerseys on Friday, July 8th vs. the Giants, and wore the uniform before every Friday home game this season (and a few other days as well). They went 6-3 in their City Connect uniforms in the 2022 regular season.

1984 NL CHAMPIONSHIP SERIES

The 1984 Padres became the first team in NLCS play and only the second team in Championship Series history to come back from a 2-0 deficit to win the series (1982 Milwaukee Brewers in the ALCS). The Chicago Cubs hit six home runs in the first two games at Wrigley Field, winning 13-0 and 4-2. But in their return home to San Diego, consecutive record-breaking crowds filled San Diego/Jack Murphy Stadium as the Padres swept the trio of home games, advancing to their first-ever World Series. First baseman Steve Garvey hit .400 (8-for-20) in the five games en route to his second-career NLCS MVP Award. In Game 4, Garvey went 4-for-5 with a dramatic two-run HR off Cubs' ace reliever Lee Smith in the bottom of the ninth. The Padres rallied from a three-run deficit in the fifth game, with Craig Lefferts earning the win in each of the final two games.

1998 NL CHAMPIONSHIP SERIES

The Padres were considerable underdogs heading to Atlanta to take on the Braves, on the Atlanta, the "team of the '90s." San Diego had not played in the NLCS in 14 years, and the start of the series opener at Turner Field was further delayed by rain by 2 hours and 1 minute. The game started at 10:16 p.m. and went into extra innings, capped by a 10th-inning solo home run from Ken Caminiti to win 3-2.

The Padres claimed Game 2 behind Kevin Brown's three-hit, complete game shutout, fanning 11 in the process. In front of 62,779 at Qualcomm Stadium in Game 3, Sterling Hitchcock and four relievers led the Friars to a 4-1 win, combining to allow one run with 12 strikeouts and out-pitching four-time Cy Young winner Greg Maddux. The Braves claimed both Games 4 and 5, and back at Turner Field, Sterling Hitchcock, the eventual NLCS MVP fanned eight in 5.0 innings of two-hit, shutout ball. The Padres plated five runs in the sixth, advancing to their second World Series with a 5-0 win.

1998 WORLD SERIES

The Padres made their first World Series appearance in 14 years in taking on the New York Yankees, who had tied the American League record with 114 regular season wins. In the series opener at Yankee Stadium, the Friars stormed to a 5-2 lead on a two-run home run off the bat of Greg Vaughn in the third and back-to-back homers by Tony Gwynn and Vaughn in the fifth. In the seventh, New York plated seven runs with Chuck Knoblauch's game-tying, three-run homer and Tino Martinez's game-winning grand slam.

In the second game, New York scored nine runs on 14 hits in the first five innings on the way to a 9-3 win, shifting the series to the West Coast. Game 3 went scoreless until the sixth, when San Diego struck first with an RBI single by Tony Gwynn. The Padres went up 3-0, but Yankees retaliated with two runs in the seventh and three in the eighth. The Padres closed to within 5-4 in the eighth before Mariano Rivera ended the Friars' threat. In Game 4, before the largest crowd to ever see a baseball game in San Diego (65,427) the Padres and Yankees were locked in a scoreless tie until the sixth, when New York broke through against Kevin Brown on an RBI groundout. Then in the eighth, the Yanks extended the lead on an RBI single by Brosius and a sac fly by Ricky Ledee. Rivera worked out of a bases-loaded jam in the eighth and shut down the Padres in the ninth as the Yankees closed out their 24th World Series Championship.

2005 NL DIVISION SERIES

The Padres, crowned National League West Champions with an 82-80 record, traveled to St. Louis to face the NL Central Champion Cardinals in the second postseason meeting between the two clubs (first: 1996 NLDS). NL strikeout leader Jake Peavy was tagged for eight runs on eight hits over 4.1 innings, and he was forced from the game by a previously injured fractured rib. The Padres plated three runs in the ninth to cut the lead to 8-5 before Ramon Hernandez struck out with the bases loaded to end the game.

Pedro Astacio started Game 2 at Busch Stadium, and though he allowed just three hits, he issued three walks. Though the Padres scored two late runs and out-hit St. Louis for a second consecutive game, they fell by a score of 6-2. The Padres returned to San Diego two days later, hosting their first-ever postseason game at Petco Park, though the Friars fell 7-4 in the final game of the series.

2006 NL DIVISION SERIES

In winning its second straight National League West Division title in 2006, the Padres made back-to-back trips to the postseason for the first time in franchise history. The Padres finished with an identical 88-74 record as the Los Angeles Dodgers, but they claimed the crown after winning the season series, 13-5.

The Friars drew the St. Louis Cardinals in the first-round of the playoffs for the second consecutive year, marking the third playoff meeting between the two clubs since 1996. In Game 1, Jake Peavy took the mound, blanking the Cardinals for 3.0 innings before giving up five runs over the next 2.1 frames. 2005 National League Cy Young Award winner Chris Carpenter limited San Diego to one run in the Padres' 5-1 loss. In Game 2, veteran David Wells held St. Louis to two runs over 5.0 innings, but STL's Jeff Weaver combined with four relievers to blank San Diego 2-0 in front of 43,463 at Petco Park. In Game 3 in St. Louis, Chris Young shut out the Cardinals for 6.2 innings at the new Busch Stadium, and Trevor Hoffman pitched a perfect ninth for his first postseason save since the 1998 NLCS. The 3-1 win was the first postseason victory for the Padres since clinching the National League Pennant in 1998. In Game 4, Chris Carpenter tossed 6.0 scoreless frames against San Diego, and the eventual World Series Champion Cardinals bested the Friars 6-2.

2020 NL WILD CARD SERIES

In the 60-game regular season, shortened by the COVID-19 pandemic, the Padres clinched their 1st Postseason berth since 2006 with their 7-4 win on September 20 vs. Seattle. The Padres faced off against the St. Louis Cardinals in the Wild Card Series, losing the first game 7-4 before winning the next two 11-9 and 4-0, respectively.

In Game 2, both Fernando Tatis Jr. and Wil Myers hit two homers apiece, marking the 2nd time in MLB history that teammates homered multiple times in the same Postseason game. The other time was 88 years ago exactly by NYY's Babe Ruth and Lou Gehrig on October 1, 1932 in Game 3 of World Series @ CHC, which was the fabled game in which Ruth called his shot in the 5th inning.

The San Diego bullpen worked 6.2-or-more innings in all three games for just the second time in MLB Postseason history, and they became the 1st team in Postseason history to use 8+ pitchers in three straight games. It marked the Padres first Postseason series win since they defeated Atlanta in the 1998 NL Championship Series.

2020 NL DIVISION SERIES

The Padres faced the eventual World Series Champion Los Angeles Dodgers in the best-of-five series at Globe Life Field in Arlington, Texas. Due to the pandemic, the two teams quarantined prior to their travel to Texas, and they also stayed at the same hotel in Dallas.

In Game 1, starter Mike Clevinger (acquired by SD from Cleveland on August 31, 2020) was unable to make it out of the 2nd inning, leaving the game with an injury (would later undergo Tommy John surgery on November 17, 2020). LHP Ryan Weathers made his Major League debut in the third inning, and he worked 1.1 IP of hitless, scoreless ball while striking out 1 with 2 walks.

In Game 2, center fielder Cody Bellinger robbed Fernando Tatis Jr. of a 7th inning, go-ahead home run. Despite cutting the deficit to 6-5 in the 9th inning, the Padres had their come-from-behind threat end with the bases loaded.

In the final game of the series, San Diego fell 12-3 to the Dodgers to end the Friars' World Series bid. Adrian Morejon got the start, and the Padres used a MLB Postseason record 11 pitchers in the game. On a postgame Zoom interview, Fernando Tatis Jr. said: "This is a growing pain. We're just getting started."

2022 NL WILD CARD SERIES

The Padres claimed Game 1 of the NL Wild Card Series in New York with Yu Darvish on the mound. Darvish's 7.0 innings were the most he had ever worked in a playoff game, and the Padres homered 4 times off starter Max Scherzer.

San Diego lost the second game 7-3, with Blake Snell going 3.1 innings with 6 walks. In the elimination game, the Padres had Joe Musgrove on the mound, making his 1st-career Postseason start. He tossed 7.0 scoreless innings with 1 hit allowed and only 2 baserunners. He struck out 5 and walked 1 in 89 pitches, and entering the bottom of the 6th, Mets' Buck Showalter requested the umpires search Musgrove for illegal substances, of which they found none. Musgrove became the 1st pitcher in MLB Postseason history to toss 7.0 scoreless innings with 1 or 0 hits allowed in an elimination game.

2022 NL DIVISION SERIES

Going against the 111-win Dodgers, the Padres beat LA in four games in the NL Division Series. Their only loss to the Dodgers came in Game 1 in Los Angeles, when Mike Clevinger went just 2.2 innings with 5 runs allowed. San Diego claimed Game 2 in Chavez Ravine, Yu Darvish punched out 7 Dodger batters and went 5.0 innings with 3 runs allowed. Relievers Robert Suarez and Nick Martinez both recorded holds with 2.2 scoreless innings, and Josh Hader entered the game with 2 outs in the 8th, recording his 1st save of 4+ outs since August 14, 2020 with Milwaukee.

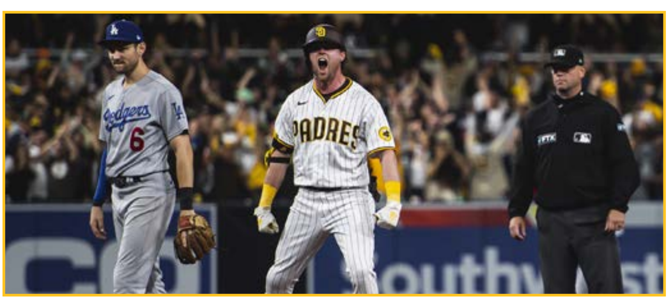

In the 8th inning of Game 2, a greater whitefronted goose made its way to Chavez Ravine, flew to shallow right field, and set up camp. Bright lights can disorient birds that migrate at night, which this species does. The goose became the Padres 2022 Postseason mascot, flying with them to the NLCS.

Game 3 in San Diego marked the Padres' 1st playoff game at home in front of fans since October 5, 2006 vs. the Cardinals in the NLDS. After being held scoreless through 6.0 innings (primarily by Dodgers' starter Tyler Anderson) the Padres mounted a 5-run comeback in the 7th inning to send the Dodgers home and advance to the NLCS for the 3rd time in their history and their 1st in 24 years.

The Friars' win over LAD was the had been second instance in baseball history in which a team won a Postseason series against their opponent that finished with 22+ more wins than them: the White Sox vs. Cubs in the 1906 World Series (Cubs had 23 more wins).

The Padres went 5-14 in the regular season vs. LAD and they ended the regular season trailing the Dodgers by 22.0 games. There have been 3 other teams in baseball history to win a Postseason series in which they finished the regular season with as low (or lower) a winning percentage as the Padres' .263 against the Dodgers this year (minimum 10 games played): the 1983 Phillies beat the Dodgers in the NLCS (went 1-11, .083 vs. LAD), the 1988 Dodgers beat the Mets in the NLCS (went 1-10, 0.91 vs. NYM), and the 1971 Pirates beat the Giants in the NLCS (were 3-9, 0.25 vs. SF)

With the Padres finishing 15th in OPS (.700) and the Dodgers leading MLB with their OPS (.775), there have now been just four instances in MLB history in which a team finished 15th or worse in OPS and defeated a team in a Postseason series who led MLB in OPS. Prior to the Padres win over the Dodgers, the White Sox (16th in OPS) defeated the Red Sox in the 2005 ALDS, the Braves (18th) bested the Indians in the 1995 World Series, and the Cardinals (17th) defeated the Brewers in the 1982 World Series.

2022 NL CHAMPIONSHIP SERIES

After defeating the Dodgers in the NLDS, the Padres advanced to their third Championship Series in club history and their 1st in 24 years (previously in 1984 versus the Cubs and 1998 versus the Braves). The Friars fell in 5 games, winning just Game 2 in San Diego.

San Diego was shut out 2-0 in Game 1, despite starter Yu Darvish working 7.0 innings, of 3-hit ball. In Game 2, the Padres overcame a four-run deficit to win 8-5, the largest a comeback a Padres team had ever made in a Postseason game that they went on to win. In the second game, Austin Nola faced his younger brother, Aaron, and in his second at bat, he lined an RBI single to right-center field. They became the 1st pair of brothers to ever faced one another as batter/pitcher in the Postseason and were the sixth set of brothers in MLB history to face off in a Postseason game.

In Game 3 and their 1st of the series in Philadelphia, Joe Musgrove allowed 4 runs as Friars fell 4-2. The Padres offense went 0-for-7 with RISP. In Game 4, after the Padres put up a 4-run bottom of the 1st inning, starter Mike Clevinger did not record a single out, allowing 3 runs on 3 hits with a walk. Phillies' Bailey Falter also did not make it out of the 1st, which was the 2nd time ever in a playoff game in which both starters didn't get out of the 1st (1st was in Game 4 of the 1932 World Series (Yankees vs. Cubs). It was also the fist time since 1996 in which a pair of pitchers on the same team combined to allow eight or more earned runs in 1.1 innings or fewer in a Postseason game (first since Game 7 of the 1996 NLCS in which Cardinals' Mark Petkovsek and Donovan Osborne allowed nine earned runs in 1.1 IP @ Atlanta).

San Diego saw its season end in Game 5 in Philadelphia, falling 4-3 to the Phillies. Bryce Harper hit a opposite field, two-run, go-ahead home run in the eighth inning of Robert Suarez to give Philadelphia their eventual game-winning runs.

PADRES HALL OF FAME PRESENTED BY SONY

During the Padres' 30th anniversary season in 1999, the ball club established the San Diego Padres Hall of Fame. The Padres set guidelines on how to first nominate then add players to their Hall of Fame using a two-stage process. 16 of the 17 current members of Padres Hall of Fame were inducted using those selection guidelines.

The lone exception was National Baseball Hall of Fame member and native San Diegan Ted Williams. A graduate of Hoover High and a member of the original 1936 minor league Padres of the Pacific Coast League, Williams was inducted into the Padres Hall of Fame at the discretion of club management in 2016.

The Padres Hall of Fame presented by Sony opened at Petco Park on July 1, 2016, showcasing the history of the San Diego Padres and baseball in San Diego.

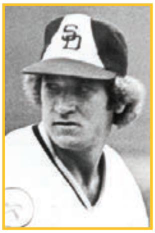

NATE COLBERT

INDUCTED 1999

Nate Colbert emerged as the first bona fide star to wear a Padres uniform, becoming one of the game's premier power hitters of the early 1970s. The first baseman made three All-Star appearances (1971-73) as a Padres player and led the team in home runs the first five years of its existence.

Colbert's greatest achievement was on August 1, 1972, when he hit five home runs and drove in 13 runs in a doubleheader in Atlanta. The RBI total established a record that has since been tied by St. Louis' Mark Whiten (September 7, 1993 at CIN), and the five home runs tied Stan Musial's Major League record in 1954. To this day, Colbert's 163 home runs are the most in Padres history, while his .469 SLG ranks fifth on the club's all-time list.

RANDY JONES

INDUCTED 1999

Randy Jones was the first Padres pitcher to win the Cy Young award, and he earned tremendous popularity among Padres fans, a relationship that remains strong to this day. The left-handed starter claimed the Cy Young award in 1976 after going 22-14 with a 2.74 ERA and 25 complete games, and he remains the club leader in IP (1766.0), starts (253), complete games (71) and shutouts (18).

The southpaw established a unique rapport with Padres fans, who gave him a standing ovation as he approached the mound for every start. An All-Star in 1975 and 1976, Jones remains an active ambassador for the Padres in the community, making dozens of annual appearances.

RAY KROC

INDUCTED 1999

Ray Kroc purchased the Padres franchise on January 25, 1974, when the club was packed and prepared to move to Washington, D.C. An entrepreneur who created the McDonald's fast-food empire, Kroc ensured that the Padres would remain in San Diego.

He oversaw the club's rise from a perennial loser in the standings to a viable franchise that would eventually win the National League pennant in 1984. After attendance only reached a season-high of at 644,272 before he purchased the club, the Padres drew more than one million fans every year (except the strike-shortened 1981 season). Kroc passed away in January 1984 and would not see his team reach the World Series that year — with the club carrying an "RAK" emblem on its uniform that season. Kroc's wife, Joan, assumed the role of owner after his death, until her sale of the club in 1990.

DAVE WINFIELD

INDUCTED 2000

Dave Winfield jumped directly into the Padres lineup off the University of Minnesota campus in 1973. In eight Padres seasons, he was named to four National League All-Star teams (1977-80), led the club in home runs on five occasions (1976-80) and paced the team in RBI six times (1974-75, 1977-80). The team MVP in 1978 and 1979, Winfield batted .284 with 154 HR, 626 RBI and 133 stolen bases for San Diego, the start of a 22-year Major League career which culminated in his election to the National Baseball Hall of Fame in January 2001. Winfield was inducted into the Hall of Fame August 5, 2001, the first player to enter Cooperstown as a Padres player.

BUZZIE BAVASI

INDUCTED 2001

Already a veteran of nearly 30 years in the game, Bavasi joined C. Arnholt Smith's effort to attract a National League franchise to San Diego in 1967. After securing a team, he served as the Padres first president from the birth of the franchise until 1977.

Bavasi was one of baseball's most respected executives. He began his career with the Brooklyn Dodgers in 1939, serving the organization in a variety of roles. Following a stint in the military as an infantry machine gunner from 1943-46, Bavasi became the general manager of the Dodgers Triple-A club in Montreal. In 1951, he was appointed vice president and general manager of the Brooklyn Dodgers, a post he held through the club's move to Los Angeles, until he resigned to join the effort to bring the Major Leagues to San Diego. Bavasi passed away on May 1, 2008 in San Diego at the age of 93.

JERRY COLEMAN

INDUCTED 2001

Jerry Coleman was the voice of the Padres for 42 seasons, stirring loyal fans across the region with his patented "Oh Doctor!" and "Hang a Star" calls, trademarks of Padres broadcasts from 1972-2013. In 1999, Coleman was recognized by the Padres with a jersey retired in honor of his contributions, not only to the club but also to the San Diego community. The Padres unveiled a star under the press box at Petco Park during the 2004 season, and in 2005, he was inducted into the United States Marine Corps Sports Hall of Fame while also receiving the prestigious Ford C. Frick Award from the National Baseball Hall of Fame in Cooperstown. He was inducted into the National Radio Hall of Fame in Chicago as a member of the 2007 class. In January of 2010, he received a Lifetime Achievement award at the 60th annual Golden Mike Awards. On September 15, 2012, the Padres honored Coleman's 70 years in baseball and 40 with the Padres with a pre-game ceremony at Petco Park, during which the club unveiled a statue of Coleman at the park while the mayor of San Diego proclaimed the day "Jerry Coleman Day."

Coleman's distinguished broadcasting career included stops with the Yankees and 22 seasons calling the CBS Radio Network's "Game of the Week." A former Major Leaguer, who left the broadcast booth in 1980 to become the Padres manager for one season, he played on six World Series clubs in nine seasons (1949-57) with the New York Yankees, a key member of the greatest dynasty in baseball history. The second baseman made his big-league debut in 1949, earning Associated Press Rookie of the Year honors. The following season, Coleman was an AL All-Star and the World Series Most Valuable Player, as the Yankees swept the Phillies in four games.

Coleman, whose playing career was interrupted twice when he was called upon to serve the United States as a Marine Corps pilot in World War II and in Korea, retired with a lifetime .263 average, 16 HR and 217 RBI in 723 games. He is the only Major League player to see active combat in two wars, and Coleman's distinguished military service record includes 120 missions and two Distinguished Flying Crosses, 13 Air Medals and three Navy Citations. He passed away on January 5, 2014 in San Diego at the age of 89.

TONY GWYNN

INDUCTED 2002

Tony Gwynn, one of the greatest hitters in the history of Major League Baseball, became the first-ever unanimous selection to the Padres Hall of Fame upon his retirement at the conclusion of the 2001 season. In 20 seasons (1982-2001), the man who will forever be known as "Mr. Padre" won a National League-record tying eight batting titles and was selected to 16 All-Star teams.

He retired with a .338 career batting average and 3,141 hits in 2,440 games. Gwynn's hit count includes 543 doubles, 85 triples and 135 HR, and he finished with 1,138 RBI and 319 stolen bases. The Padres career leader in virtually every offensive category, Gwynn retired 17th on the all-time Major League hit list, 17th on the doubles list and eighth on the all-time singles list. His .338 career average, the highest by any Major Leaguer since Ted Williams, is 22nd-best all-time.

Gwynn played on each of the first three Padres Division Championship clubs (1984, 1996, 1998) and batted .371 in the club's two World Series appearances in 1984 against the Tigers and in 1998 against the Yankees. Upon his retirement, he became the 17th player in baseball history to spend his entire career of 20-or-more seasons with one club. Gwynn's unwavering loyalty to the Padres and his undying devotion to the San Diego community further cemented his standing as "Mr. Padre" and one of the greatest ambassadors the game of baseball has ever known.

Gwynn was inducted into the National Baseball Hall of Fame in July of 2007. He passed away on June 16, 2014 in Poway, CA at the age of 54.

DICK WILLIAMS

INDUCTED 2009

Serving as Padres manager from 1982-85, Dick Williams led the Friars to a 337-311 record and .520 winning percentage over four years, finishing at .500 or better each season. In the club's 13 seasons prior to his arrival, the team had posted just one winning season (1978), but under Williams' guidance, the Padres went 92-70 in 1984, reaching the playoffs for the first time in franchise history and advancing to the World Series.

TREVOR HOFFMAN

INDUCTED 2014

The most successful closer in Padres franchise history and one of the best ever in the history of Major League Baseball, Trevor Hoffman was inducted into the National Baseball Hall of Fame in July 2018 and into the Padres Hall of Fame on August 30, 2014.

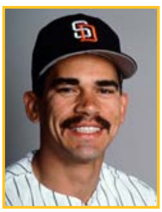

Hoffman, who now serves as the Padres' senior advisor to baseball operations, retired as MLB's all-time saves leader with 601 in 677 opportunities, a 61-75 record, 2.87 ERA (347 ER, 1089.1 IP), .211 opponent batting average and 1,133 strikeouts in 1,035 relief appearances. The seven-time all-star (1998, 99, 2000, 02, 06, 07, 09) also finished in the top 10 in Cy Young voting (1996, 98, 99, 2006) and in the top 25 in MVP voting (1996, 98, 2005, 06).

Over his 16 seasons with San Diego, Hoffman compiled a 54-64 record with 552 saves in 618 opportunities (.893 save percentage), a 2.76 ERA, .211 opponent clip and 1,029 strikeouts in 902 relief appearances. He was the first player in MLB history to reach the 500 and 600 save milestones, and his nine seasons of 40-plus saves are tied with Mariano Rivera for the most, all time. He twice had 40+ saves in four consecutive seasons (1998-2001 and 2004-07), the only pitcher to ever accomplish the feat twice. He also recorded a single season franchise-record 53 saves during the 1998 National League title season.

A California native and San Diego resident, Hoffman has been heavily involved in the local community since joining the Padres in 1993. He was named the local recipient of the Roberto Clemente Award on six occasions and was honored with both the Lou Gehrig Award and Teammates for Kids Award in 2006. In addition, he received the Hutch Award in 2005 and was named the 1999 recipient of the Padres Chairman's Award.

Trevor Hoffman, **inducted into the Padres Hall of Fame on August 30, 2014,** addresses the media on the day of his election to the National Baseball Hall of Fame in January of 2018.

BENITO SANTIAGO

INDUCTED 2015

Benito Santiago was unanimously named National League Rookie of the Year in 1987, the first Padre to ever receive the accolade. A five-time National League All-Star, including four with the Padres (1989-92), he played seven of his first 20 Major League seasons for San Diego, hitting .264 (758-for-2872) with 124 doubles, 15 triples, 85 HR and 375 RBI over 789 games from 1986-92.

His four starts behind the plate for the National League All-Star team are the second-most starting nods at the Mid-Summer Classic in franchise history behind only Tony Gwynn and his 12 starts.

The Puerto Rico native also received four Louisville Silver Slugger Awards (1987-88, 1990-91) and three Rawlings Gold Gloves (1988-90) in his career, all with San Diego. His career-best and franchise-record 34-game hitting streak during his rookie season in 1987 still stands as the longest hitting streak in Major League history by a rookie and the longest by a catcher.

GARRY TEMPLETON

INDUCTED 2015

Garry Templeton, who played 10 of his 16 Major League seasons with San Diego from 1982-1991, was the first shortstop inducted into the Padres Hall of Fame. The switch-hitter hit .252 with 195 doubles, 36 triples, 43 HR and 427 RBI over 1,286 games for the Padres.

Templeton ranks second to Tony Gwynn among franchise leaders in several offensive categories, including games played, at-bats, hits and doubles, and he ranks fourth in triples, seventh in RBI and eighth in runs scored. He was named a National League All-Star for the Padres and team MVP in 1985 and earned a Louisville Silver Slugger Award in 1984. Over his 10 seasons in San Diego, he posted a .965 fielding percentage at shortstop, the best fielding percentage in club history at the position.

KEN CAMINITI

INDUCTED 2016

Ken Caminiti played four seasons in San Diego (1995-1998), in which he won Gold Glove Awards three straight years (1995-1997), and he also earned three All-Star honors (in 1994 with the Astros and in 1996 and 1997 with the Padres). Caminiti became the first Padre to win the National League MVP award when he was unanimously recognized in 1996, the same year he won the Silver Slugger Award. In 1998, he helped lead the Padres to the World Series.

Caminiti had a career-year in 1996, hitting .326 with 40 HR, 109 runs scored and a club-record 130 RBI, helping the Padres win the National League West Division and sending San Diego to the playoffs for just the second time in franchise history.

He passed away on October 10, 2004 at the age of 41.

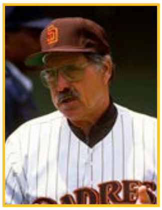

TED WILLIAMS

INDUCTED 2016

Ted Williams, a 17-time All-Star and Hall of Famer, was a San Diego native who played with the Pacific Coast League Padres before playing for the Boston Red Sox. A graduate of Herbert Hoover High School in San Diego, he signed with the Padres at age 17. During the club's inaugural 1936 season in the Pacific Coast League, he .271 over 42 games. JACK MCKEON

INDUCTED 2017

"Trader Jack" McKeon spent 11 seasons as general manager of the Padres (1980-90), including parts of three seasons in which he served in a dual role of GM and field manager (1988-90). He earned the sobriquet "Trader Jack" for his renowned ability to instigate and complete transactions. McKeon was 49 when he began his role as general manager, and he made a multitude of the trades and signings that helped lead to the club's 1984 National League title, including a 11-player trade with the St. Louis Cardinals. His most notable trade acquisitions included Garry Templeton, Terry Kennedy, Graig Nettles, Carmelo Martinez and Dave Dravecky. During the 1988 season, McKeon assumed the managerial title after the Padres got off to a 16-30 start, becoming the 12th manager in franchise history. For parts of three seasons, he led the Padres 193 victories, boasting an .541 winning percentage.

KEVIN TOWERS

INDUCTED 2018

Kevin Towers, a former Padres player, scout and front office executive, was posthumously inducted on May 12, 2018 in a special pregame ceremony as part of a weekend-long celebration of the 20th anniversary of the 1998 National League Championship team.

Towers was honored for his nearly thirty years of service with the Padres, most notably as general manager of the club from 1995-2009. Dubbed a "gunslinger" for his fearlessness in making trades, Towers was 34-years-old when he began his role as general manager after serving as the club's director of scouting the previous two seasons. Under Towers, the Padres enjoyed some of the most successful years in club history, including four National League West titles (1996, 1998, 2005, 2006) and a National League pennant in 1998.

The '98 club, which set a franchise record for victories (98), was comprised of a number of Towers' acquisitions, including Wally Joyner, Chris Gomez, Greg Vaughn, Quilvio Veras, Sterling Hitchcock and Kevin Brown. During his tenure in San Diego, Towers was also responsible for acquiring Phil Nevin, Ryan Klesko, Brian Giles, Adrian Gonzalez, David Wells and Heath Bell, as well as drafting future Cy Young Award Winner Jake Peavy.

TED LEITNER

INDUCTED 2022

Leitner was the primary play-by-play radio voice of "My Padres" for 41 years from 1980 through the 2020 season. He has been a broadcaster for 43 years in San Diego as he continues to be the voice of the San Diego State University Aztec football and basketball programs.

His career includes 25 years (1978-2002) as a sports anchor for KFMB-TV, the local CBS affiliate, and play-by-play roles for the San Diego Chargers and Philadelphia Eagles of the National Football League, the San Diego Clippers of the National Basketball Association, the University of Oklahoma and the University of Connecticut.

Beyond broadcasting, Leitner has served as the Master of Ceremonies for many Padres events, including Padres Hall of Fame ceremonies, the memorials of Jerry Coleman and Tony Gwynn, Padres Opening Day ceremonies, and Jerry Coleman Day in 2012, which honored Coleman's 70 years in baseball.

LARRY LUCCHINO

INDUCTED 2022

Lucchino served as the club's president and CEO from 1995 to 2001. He played an integral role in building the Padres teams that went on to win two National League West titles (1996, 1998) and the 1998 National League pennant, first by hiring fellow Padres Hall of Famer Kevin Towers as General Manager, and then by working closely with Towers and Manager Bruce Bochy to construct championship-caliber teams.

The approval and design of Petco Park was Lucchino's lasting legacy, from lobbying city officials and working to win the 1998 vote that approved the ballpark to leading the design of the ballpark.

1	Joe Musgrove	April 9, 2021	@ TEX	San Diego native Joe Musgrove struck out 10 and missed a perfect game by hitting Joey Gallo in the 4th with 2 outs. The final out was a ground ball hit by Isiah Kiner-Falefa to SS Ha-Seong Kim to 1B Jurickson Profar.

Local Architect	Jose Mella Febles & Assoc., S.A.
Construction Management	RALCO Construction Management Services
Contractors	Ing. Cristian Ciccone y Asociados, C. Por A.
Gross Square Footage	15 acres (653,400 square feet)

The Padres set new standards for Major League Baseball training facilities with their state-of-the-art Dominican Republic Baseball Park in Najayo, San Cristobal. Officially opened on April 30, 2008, the complex serves as the hub of the Padres Latin American operations where international players live and train year-round. The complex is also the home of the Dominican Summer League Padres. It served as the host location for the 2013 Padres' Instructional League.

The facility boasts two regulation-size playing fields and a half field, batting tunnels, covered pitching mounds and a clubhouse containing Major League-caliber weight and training rooms. The complex has housing for over 60 players as well as managers and coaches, including a kitchen and dining facilities. In an effort to create the ultimate facility, the Padres have incorporated on-site classrooms, a librar, computer learning centers and a first-rate player education program.

In conjunction with the construction of its Dominican Republic Baseball Park, the Padres have pioneered a community outreach program aimed at improving the quality of basic public education in the Dominican Republic. The Padres have partnered with SDSU, UCSD, SurFuturo, USAID and the American Chamber of Commerce Dominican Republic to improve four local community schools and incorporate after-school programs for students.

2023 Spring Training marked the 30th Spring Training season at the Peoria Sports Complex for the Padres in Peoria, Ariz. The complex, located 20 miles northwest of downtown Phoenix, serves as the spring home for both the Padres and the Seattle Mariners, and it serves as the premier Cactus League venue on the west side of Phoenix, providing easy access from the 101 Loop and is within walking distance to Peoria's P83 entertainment district featuring shopping dining and entertainment.

The complex provides separate state-of-the-art facilities for the two clubs, and both the Padres and Mariners clubhouses received over a combined 31 million dollars in renovations prior to the 2014 season. Each team's facility has six full fields, two-half fields for infield and base running drills, a bunting field, four covered batting tunnels and eight open air batting tunnels. Both clubhouses are over 55,000 square feet and include administrative offices, full-service kitchens and cafeterias, weight and training rooms and media workrooms.

Prior to the 2017 season, Peoria Stadium also underwent large LED and audio system upgrades including the following: New 2,100 square foot LED display, which was the largest in baseball's Cactus and Grapefruit Leagues and the first to feature 13HD LED. New display will measure approximately 35 feet high by 61 feet wide and feature a 13HD pixel layout to provide high-resolution imagery. Upgraded audio system includes fully-distributed sound, providing full-range sound reproduction for a powerful audio experience. Additional transformations preceding the 2014 season included the following: New 2,400 square foot team store along with renovated entrance gates and administrative offices. New fixed seats with cup holders as well as new seats along the first and third baselines and field level seating behind home plate.

The Colonnade, a new group space down the third base line was installed in 2016 featuring an upscale catering menu, TV's, private restrooms, full bar and viewing patio for groups of up to 200. New outfield pavilion in left field to accommodate groups of 20-300 as well as widened pedestrian walkway around the outfield. Accessible seating platforms added as well as an ADA accessible ramp to the stadium field. Public restroom upgrades. Infrastructure upgrades to water, fiber and information technology.

The working press box at Peoria Stadium has space for 35 writers and five separate broadcast booths. To reserve broadcast booth space, please contact **JP Nolan** in the Padres Media Relations Department at ***jnolan@padres.com***.

SECURITY

In August of 2020, Petco Park received the SAFETY Act designation by the U.S. Department of Homeland Security. The SAFETY Act serves as one of the highest levels of accreditation offered and promotes the development and deployment of effective anti-terrorism measures.

OUTFIELD FENCES

Five feet tall from the Entertainment Suite in the corner of the Western Metal Supply Co. Building to the left field wall. Seven feet tall from the left-field wall to the door that leads to the Padres bullpen at which point it increases to eight feet tall to the right side of the batter's eye. Prior to the 2016 season, the wall in front of the Toyota Beach and the Ballast Point Craft Pier was reduced from seven feet, ten inches tall to five feet, two inches tall. At the right field wall, it goes back to eight feet tall for the 140-foot length of the wall and LED display. The fence tapers down to seven ft., six in. tall along the side of the trapezoid that forms the Templeton Rye Barrel Deck in right field. It remains at seven feet, six inches tall along the front of the Templeton Rye Barrel Deck, and tapers back up to 10 ft. tall along the side of the trapezoid that connects to the right field foul pole (the length of the fence that forms the Templeton Rye Barrel Deck is 15 ft., 9 in. along the side nearest to center field, 25 feet, 3 inches along the front of the Templeton Rye Barrel Deck at the first row of seats, and 15 feet, 9 in. along the side that connects to the right field foul pole).

LIGHTING

Petco Park took another major step toward energy efficiency and sustainability prior to the 2016 season, with the installation of Musco's SportsCluster® LED™ system, in partnership with Cisterra Development. The Padres became the first team in the National League to install LED lighting. With specially designed optics, the new system cuts glare both inside and outside the ballpark, enhances television broadcasts and provides a stage-like atmosphere for spectators. Petco Park is now 100 percent LED.

The park features ten "racks," encompassing 460 light fixtures, all with 1,200-watt bulbs, except for 110, 130-watt housekeeping bulbs. The tallest light standards, which are in a vertical configuration, are atop the First Base and Third Base Towers – 205 feet above the playing field. Other light standards, in a conventional horizontal configuration, are 190 feet above the field.

SIGHT LINES

Designed to provide the best and closest views of the game in Major League Baseball, re-directed seating angles maximize sight lines for baseball and comfort...all seats down the lines are angled toward home plate, to maximize views of the field from every seat...the top two decks are built on extended, 56-foot cantilevers to bring all seats lower and closer to the field.

SEAT SPECIFICATIONS

Prior to the 2016 season, 222 new seats manufactured by American Seating were installed in the Blue Shield Home Plate Club. Fixed seats elsewhere around the ballpark are manufactured by Hussey Seating and measure 19, 20 or 21 inches in width, depending on location. All seats are Pacific Blue in color.

HD OVERHAUL

Prior to the 2018 season, a second HD video board was added in upper right field. Manufactured by Daktronics, the new 55.2' by 31.2' (1722.24 sq. ft.) video board uses 13mm HD product that boasts a max 11,000 nits, allowing for optimal viewing during bright sunny days. The second video board allows for mirroring of the main board in left field for replays, features and crowd shots, as well as independent operation and unique

content. Prior to the 2016 season, a new LED ribbon board (3.5-feet tall by 70-feet wide) manufactured by Daktronics was installed along the fascia of the top level of The Craft Pier by Ballast Point in right-center field. Prior to the 2015 season, the Padres installed a state-of-the-art high-definition video board. The board measures 61.2-feet tall by 123.6-feet wide, covering 7,564.32 square feet. At the time of installation, it was the third-largest in Major League Baseball and the largest in the National League at the time of installation.

The video board itself, provided by Daktronics, is nearly five times the size of the previous video screen (30-feet tall by 53-feet wide; 1,590 square feet), which was in place since 2004 when Petco Park opened. The entire board can be run full-screen to show live action or video replays, or it can be split into sections for statistical information, graphics and animations. The video board's resolution is 1224x2472, with 3,025,728 total pixels. New LED ribbon boards accompanied the new video board spanning nearly 750 feet along the first and third base lines on the Terrace Level (3.6-feet tall), as well as on the left field grandstand fascia (7.5 feet tall by 130-feet wide). Sony also provided a state-of-the-art HD control room, including in-house production, broadcast and entertainment systems.

GALLAGHER SQUARE VIDEO BOARD

Upgraded in 2014, the video board on the back of the Batter's Eye, facing Gallagher Square, is 17-feet high by 29-feet wide. The board utilizes 10mm (Surface Mounted Diode) technology from Daktronics, allowing for clearer images when standing close to the video board in Gallagher Square.

RIGHT FIELD LED RIBBON BOARD

In 2013, new LED ribbon boards were added to right field. Upper right field board measures 6-feet high by 192-ft. wide and the right field wall board measures 7-feet high by 104-feet wide. Both boards were provided by Daktronics.

AUDIO SYSTEM

Prior to the start of the 2014 season, Daktronics installed several new distributed loudspeakers in numerous locations, replaced speakers in other areas of the park as well as completely returned the entire sound system to provide a base level of uniform system operations. All systems are tied together using the latest state-of-the-art Digital Signal Processing Systems.

RETIRED NUMBERS

Prior to the 2016 season, the Padres retired numbers were relocated from the top of the batter's eye to a more prominent location inside Home Plate Plaza, where fans can see them up close and take photos with them. In addition, retired numbers are now positioned on the upper deck façade behind home plate, above the Jerry Coleman Broadcast Center and adjacent press box. The numbers – Steve Garvey's No. 6, Tony Gwynn's No. 19, Dave Winfield's No. 31, Randy Jones' No. 35, Trevor Hoffman's No. 51 and Jackie Robinson's No. 42, which was retired throughout Major League Baseball in 1997 – are flanked by the players' first and last name in white in a ring of honor around the upper deck.

PADRES HALL OF FAME

The Padres Hall of Fame, presented by Motorola and which showcases the history of the Padres and baseball in San Diego, opened at Petco Park on July 1, 2016. Located on K St. just inside the Gaslamp Gate, it features an 85" TV upon entry, an 80-foot-long, in-depth timeline, a state-of-the-art 4K 100" TV and touch screen interactive theater, and historical memorabilia throughout. The centerpiece of the space is 17 two-sided illuminated panels dedicated to each current member of the Padres Hall of Fame. The panels depict imagery of these legendary Padres, while telling the story of their career highlights and personal achievements.

DUGOUTS

The Padres dugout is located on the first-base side and is 57 feet long by 14 feet wide. The visitor dugout, on the third-base side, is 46 feet long by 14 feet wide. Both dugouts have steps that lead to the field for half their length and have a rail on the other half.

PROTECTIVE NETTING

The Padres extended the protective netting prior to the 2018 season, separating spectators behind home plate and down the foul lines from the field of play. The netting, manufactured by Promats® Athletics, features the latest technology to minimize the appearance of the net and provide an optimal viewing experience, while maintaining high safety standards. In 2020, the netting was heightened behind the backstop and over both dugouts to 29-feet before tapering down along the foul lines. The end points will remain the same at Section 116 in left field and Section 115 in right field, which surpasses the existing guidelines issued by Major League Baseball.

BULLPENS

The Padres bullpen in left field is 87′ 8″ long by 27′ 8″ wide, and elevated 3′ 6″ above field level. The visitors' bullpen was relocated from the field before the 2013 season, and it is now tiered behind the home bullpen, elevated another 3′ 6″. It is 80′ 11″ long and 27′ wide. The visiting team pitches east to west, while the home team pitches west to east. Each bullpen has a separate entrance to the playing field.

BATTER'S EYE

Background for batters in center field is painted green, except for the side facing Gallagher Square, which is covered with faux green ivy and the interlocking SD logo in faux boxwood. The structure houses an equipment storage room on the Field Level and "The Batter's Eye Porch," a pre- and post-game and special event area 30 feet high by 80 feet long in Gallagher Square. Above this is the Event Management Center for Petco Park and a 10-foot rotational sign that provides a solid background when batters are at home plate and offsets rotating panels between innings.

TEAM CLUBHOUSE FACILITIES

Clubhouses are located on the Field Level, with direct access to the dugouts and service corridor. The home clubhouse is approximately 16,500 square ft., including a 3,560 square foot locker room with 40 cubicles (four ft. wide), configured in a circle. The home clubhouse includes a 240 square ft. video coaching area located near the home (first base) dugout, with access from inside and outside the clubhouse. Other facilities include a 7,580 square ft. fully-equipped weight and exercise room, dry sauna, hydrotherapy room, player lounge and kitchen, manager's office, coaches locker room, rehab room,

medical facilities, offices, laundry and storage.

The visitors clubhouse is approx. 8,990 square ft., including a 2,140 square ft. locker room with 40 cubicles, training room, manager's office, coaches locker room, weight and exercise room, player lounge and kitchen, laundry and storage.

Internal batting and pitching tunnels (two for the home team, one for the visiting team) are located on the Service Level with access to the clubhouses and are fully-equipped, including cameras for video recording. Tunnels are sized to accommodate two batters and/or two pitchers. Views to the home batting tunnel are available from the Blue Shield Home Plate Club through one-way glass so club patrons can observe players at work. Additional facilities include an auxiliary locker room (approximately 2,040 square ft.), with an operable partition, the umpires' locker room (approximately 910 square ft.), a home team family waiting room, a visiting team family waiting room and a greenroom/VIP dressing room.

GALLAGHER SQUARE

Gallagher Square, formerly known as the Park at the Park, features a landscaped park of 2.8 acres beyond the outfield fence, including a video board on the back of the Batter's Eye, Picnic Hill (gently sloped area for lawn seating with views of the game and video board), "tot lot" play area, children's baseball diamond and portable concessions.

Petco Park is the 1st Major League ballpark since Forbes Field in Pittsburgh (closed in 1970) to have a park adjacent to the outfield. Gallagher Square is a ticketed area and vital part of the baseball experience on game days, including admission to conveniences and amenities of the seating bowl with a Park Pass during ticketed events. It functions as a special events venue when there is no game and daily as a neighborhood park.

SEATING DECKS

Petco Park has three main seating decks: Field Level, Terrace Level and Upper Deck.

CONCOURSE FLOORING

Between 2014 and 2015, approximately 255,000 square feet of concourse flooring was replaced with decorative waterproof, flake flooring system manufactured by Neogard and installed locally by KTM Coating.

WESTERN METAL SUPPLY CO. BUILDING

The historic brick warehouse that housed the Western Metal Supply Company, which dates to 1909 and has ties to the Old West, was renovated and incorporated into the ballpark, with the left-field foul pole attached to its southeastern corner. The building holds the Padres New Era Team Store on the first floor, 12 party suites (available on an individual game basis) on the third and fourth floors, a restaurant with terrace dining on the fifth floor, and another restaurant and group space on the rooftop, 80 feet above field level.

SYCUAN STAGE AT GALLAGHER SQUARE

In March of 2019, the Padres unveiled the latest addition to Petco Park with the debut of the Sycuan Stage at Gallagher Square. As the premier entertainment venue in America's Finest City, the Sycuan Stage will host a minimum of eight national touring acts per year. The venue is the first amongst Major League ballparks to offer a unique outdoor setting inside of a downtown ballpark. The stage also has a state-of-the-art roof system with the capability to withstand more than 90,000 pounds of production and measures 64′ x 28′ x 5′, allowing for a fully customizable space depending on artist requests.

TOYOTA BEACH AND CRAFT PIER BY BALLAST POINT

In 2016, the Padres unveiled a two-level social space in right-center field inspired by San Diego's beach lifestyle, featuring pilings and decking constructed from environmentally friendly recycled composite wood. The lower level, the Toyota Beach, is utilized as a group space, and the upper level, The Ballast Point Craft Pier, is a multi-use area. In total, the space accommodates nearly 600 people in a standing-room-only capacity. The space was constructed in the location previously occupied by The Beachers seating area and The Toyota Beach play area. As part of the design, the children's sand play area was preserved and relocated to a space along K Street, further removed from the playing field and safe from balls in play. Partners on this project were San Diego-based architecture firm Larimer Design and Clark Construction.

SUITE RENOVATION

Heading into the 2022 season, the Padres embarked on a major renovation at Petco Park that saw the largest suite remodel since the ballpark opened. With a commitment from Padres Ownership, 70 premium suites were completely renovated, in addition to a remodeled Suite Entrance for Suite Lease Members, costing more than $6 million for the project. The upgraded suites feature brand new furniture with unique seating concepts, 65-inch 4K televisions, access for presentations through the TVs, artwork celebrating current and past Padres teams, customizable branding elements for Suite Lease Members, enhanced and additional lighting, new refrigerators and ice machines, induction cooking, new dishware and additional counter space for food and beverage presentation.

THE GALLAGHER CHAIRMAN'S CLUB & CUTWATER CORONADO CLUB

The Padres debuted the latest premium seating options prior to the 2020 season in the Gallagher Chairman's Club and the Cutwater Coronado Club. The Gallagher Chairman's Club is located next to the Padres Ownership suite and allows fans to watch the game from one of the best views behind home plate at the ballpark while enjoying all-inclusive premium food and beverage. The Coronado Club offers stunning views of Coronado Island and the iconic Coronado Bridge from the comfort of a private open-air club while enjoying complimentary food and non-alcoholic beverages. Guests also have a dedicated seat to watch the game from their own luxury loge box.

BLUE SHIELD HOME PLATE CLUB

The Blue Shield Home Plate Club underwent a massive renovation immediately upon the conclusion of the 2022 postseason that includes an enhanced VIP entry, expanded bar and dining room that includes a new layout, furniture, art and expanded restrooms while maintaining a unique view into the Padres batting cages. A new grand staircase directly connects the upper club to an expanded and renovated lower club. The new lower club features an expanded interior footprint, a dedicated bar, expanded restrooms and an enhanced fine dining experience.

PETCO BARKYARD

Unveiled in 2016, the Petco Barkyard consists of six semi-private, premium dog-friendly box seats in Petco Park's left-center field, available for every Padres home game. Each of the six boxes in The Barkyard can accommodate up to four people and two dogs. The Barkyard features a designated entrance from K Street in Gallagher Square, a check-in area staffed by a Petco brand ambassador, and a watering station near check-in. A Padres pet concierge is on-hand to escort fans and their dogs to and from The Barkyard. Conveniently located just a short walk from the designated Pet Relief Area in Gallagher Square, The Barkyard is tailored to a dog's needs. Each box offers umbrellas to protect dogs from the sun and specially selected easy-to-clean artificial turf that does not

retain heat, to ensure every pup's paws stay cool.

VIASAT MILITARY HALL OF HONOR

In 2022, the Padres and Viasat Inc. unveiled the Viasat Military Hall of Honor to the Power Alley located in the right field concourse. The Padres, who are widely regarded as Major League Baseball's "Team of the Military" partnered with Viasat to honor former Padres and other MLB players around the league who served in the military and pay tribute to Armed Services' veterans and those currently serving in the U.S. military at home and around the world.

Located near Section 133, the Military Hall of Honor serves as an interactive space allowing fans to view information and different content on each honoree through two touchscreen televisions within the space. Fans can also record and send personalized messages to active-duty military members and various military bases in a dedicated recording booth located within the Hall of Honor area.

ADDITIONAL FEATURES

2015's left field renovation project included the debut of several new social spaces and seating areas, including The Estrella Jalisco Landing, a private 300-person group space immediately below the video board and the Entertainment Suite on the ground floor of the Western Metal Supply Co. Building. Also introduced in 2015 was The Still presented by Cutwater down the left field line on the Terrace level.

The On-Deck Suite, introduced in 2014, is an eight-person suite next to the visitor's dugout, giving fans an unprecedented view of the action...closer to the batter's box than the pitcher on the mound is. The Templeton Rye Barrel Deck, created in 2013, is nestled just beyond the wall in right field and houses 56 seats. Picnic Terraces, to the left of the Batter's Eye, have tiered picnic tables and are intended primarily as a group sales area. Palm Court Plaza, with 13 palm trees and 13,588 bricks, of which 10,842 are personalized, commemorative bricks. The Omni San Diego Hotel and The Metropolitan (36 luxury condominiums on the top 11 floors of the hotel) connect to the main concourse by a pedestrian skybridge.

ADDITIONAL FEATURES (CONT.)

The audio and video graphics to celebrate Padres players' home runs at Petco Park have a distinct military and nautical flavor. The sound of a ship's horn is an actual recording of the horn of the Navy's USS Ronald Reagan (CVN-76) nuclear aircraft carrier, which was formerly home-ported in San Diego. To accompany the horn, fireworks blast from the top of the video board during night games.

WI-FI

Introduced in 2012, the Padres provide wireless internet access to fans at Petco Park in partnership with Verizon.

BIGGER THAN BASEBALL

In addition to serving as the home of the Padres, Petco Park also hosts concerts, special events and other sporting events. Petco Park saw its highest-ever attended event with Garth Brooks Stadium Tour in March 2022 with more than 50,000 tickets sold. In January 2023, it hosted the eighth annual nine-hole golf event, The Links at Petco Park, in partnership with Callaway Golf. The venue transitioned into an outdoor hoops arena in 2015 for the Bill Walton Basketball Festival, featuring a week of community events, tournaments and high school games, culminating in the SDSU vs. USD men's basketball game. In early 2022, the park welcomed monster trucks and dirt bikes back, as host of Monster Jam and Monster Energy Supercross. The inaugural World Baseball Classic semi-finals and final were played at Petco Park in 2006, with the site playing host to second-round games in 2009 and 2017. Petco Park has hosted the 2014 Davis Cup, the USA SEVENS Rugby tournament and international soccer matches including the Tijuana Xolos.

Petco Park also serves as a year-round concert venue, having

hosted The Rolling Stones (Nov. 2005 & May 2015), Madonna (Nov. 2008), Taylor Swift (Aug. 2015), Billy Joel (May 2016), Metallica (Aug. 2017), The Eagles, Zac Brown Band, Journey and Def Leppard (Sept. 2018), Sir Paul McCartney (2014, June 2019), Green Day, Fall Out Boy and Weezer (Aug. 2021), Garth Brooks (March 2022), Red Hot Chili Peppers (July 2022), Motley Crue, Def Leppard and Poison (Aug. 2022), Grupo Firme (Aug. 2022), Bad Bunny (2x in Sept. 2022) and Elton John (Nov. 2022). 2022 was also a record year for Petco Park with seven full venue concerts, all of which sold out.

SOCIALLY DISTANCED

In coordination with local and state health officials, Petco Park continued to serve as a place where memories are made even in the midst of the COVID-19 pandemic. In June of 2020, the Premier Lot hosted drive-thru high school graduations, drive-in style movie screenings and the first drive-in concert in California since stay-at-home orders were issued in March. Following the successful drive-in format, Padres-controlled lots were transformed into watch party sites where thousands of fans cheered on the Padres during their playoff run. Gallagher Square also hosted the first ever Halloween Trail and Holiday Market & Trail events allowing guests to partake in the holiday festivities as part of a socially-distant, safe environment. All events were executed with the utmost regard for health & safety precautions.

COVID-19 VACCINATION SUPER STATION

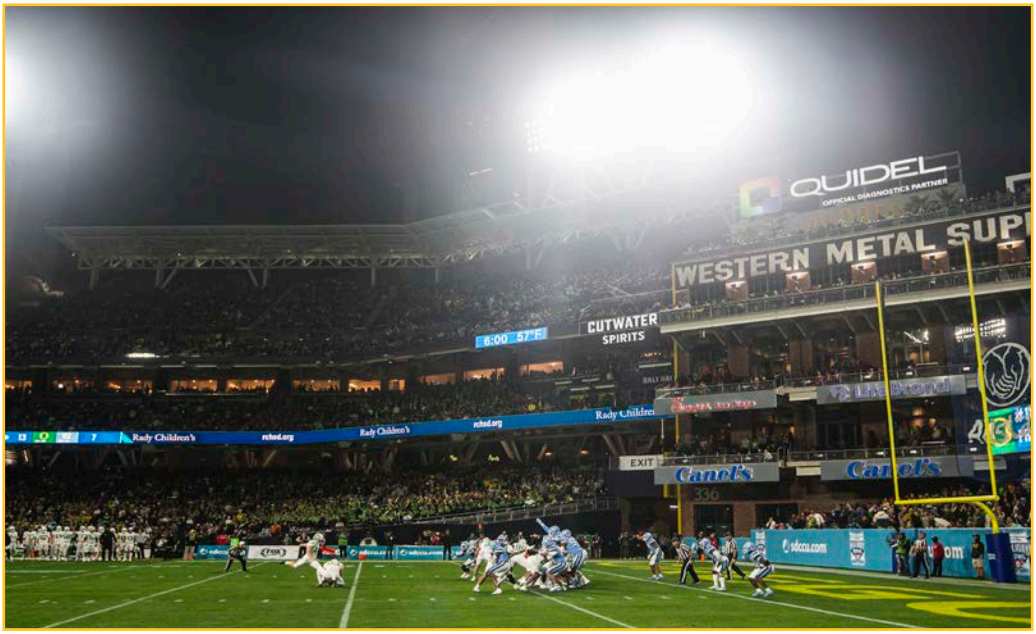

As the COVID-19 epidemic raged on throughout 2020 and into 2021, Petco Park and the Padres continued to serve as a community pillar for San Diego and beyond. In early January 2021, the County of San Diego announced that the Petco Park Tailgate Lot would be the site of the State of California's first Vaccination Super Station. In partnership with the City of San Diego, UC San Diego Health and the Padres, the vaccination site allowed for up to 5,000 individuals to be vaccinated daily. Operating from 7:00 a.m. to 7:00 p.m. seven days a week, the drive-up site opened on Monday, January 11, 2021, and a total of 225,000 vaccines were administered. The Padres provided the lot to act as the host site for the super station along with operational support from the organization's event staff.

HOLIDAY BOWL PARTNERSHIP

In June 2021, the Padres and the Holiday Bowl announced a new partnership that would bring the historic San Diego County Credit Union Holiday Bowl to Petco Park for a minimum of five years, beginning with the 43rd annual bowl game on Tuesday, December 28, 2021. San Diego City Council voted to overturn a "no football clause" so that football could be played at Petco Park.

Petco Park underwent major construction to transform the field from baseball to football, with the 1st baseline modifactory serving as the east end zone and the left field wall serving as the west end zone. The construction included removing the 1st baseline wall and adding 2,800 square feet of concrete seating risers over 10 rows of seating in sections 111, 113, 115 and 117 for football, restoring the 1st baseline seating sections for baseball using 10 sections of removable seating risers (featuring 118 padded seats and 344 regular ballpark seats), removing and relocating the bullpen door and stairs in left field for football and later restoring the outfield walls to the same dimensions for baseball, installing thicker 1 1/2" inch cut overseeded Bermuda turf, and building sideline suites in right field that could accommodate nearly 500 people. Field goal posts, new play clocks, camera locations and coaching boxes needed to be installed in addition to implementing a completely new scoring system on the video boards.

The SDCCU Holiday Bowl was set to make its Petco Park debut with the UCLA Bruins (Pac-12) against the NC State Wolfpack (ACC) before the game was ultimately canceled due to COVID-19 health and safety protocols. Instead, the Holiday Bowl made its historic debut at Petco Park on December 28, 2022 when the Oregon Ducks (Pac-12)

defeated the North Carolina Tar Heels (ACC). It was the first time football had ever been played at Petco Park.

ARCHITECTURAL FEATURES

Seating bowl "fractured" by first base and third base Towers housing vertical light standards and other elements to create distinctive "seating neighborhoods." First base and third base Garden Buildings house concession areas, premium seating club membership lounges, offices, restrooms and other programming elements usually housed inside a ballpark. Spacious concourses and terraces afford outstanding views of San Diego Bay, Coronado Bay Bridge, downtown skyline, Pacific sunsets, glimpses of Balboa Park and mountains to the east.

LANDSCAPE

The entire ballpark is designed and landscaped to resemble a garden. The landscape includes plants both inside and outside the park and vines and flowering vegetation spilling over bridges, walkways and trellises. The wall of flowing water at the Home Plate Plaza captures the spirit of San Diego's casual, coastal lifestyle. Garden Buildings feature bougainvillea and colorful planters. Jacaranda trees line the main entrance, Home Plate Plaza features coral trees at the top of the staircase and palms, and Palm Court Plaza feature signature palm trees.

Gallagher Square features a landscaped lawn, flowering trees, shrubs, gardens with perennials and annuals selected to bloom in sequence throughout the year. Plantings evoke the gardens of Balboa Park and the flower fields of Carlsbad.

The landscape and vegetation selected are "water-wise," low allergenic and environmentally responsible, requiring minimal use of pesticides and toxic chemicals.

ENVIRONMENTAL FEATURES

An agreement with the Environmental Health Coalition comprehensively addressed issues of air and water quality, urban runoff, removal of hazardous materials, and use of pesticides and toxic chemicals in the construction and operation of the ballpark. Progressive recycling and waste management programs help make Petco Park one of the greenest ballparks in Major League Baseball.

GOING SOLAR

Prior to the 2018 season, the Padres and Petco Park continued their efforts as industry leaders in energy sustainability with the installation of a 336,520-watt Sullivan Solar Power system. The project consisted of 716 high-efficiency, 470-watt solar modules and will generate 330 kilowatts of solar power, enough to power the entire Padres front office. The solar power system serves as the largest solar power system in Major League Baseball.

CLEAN, RENEWABLE ENERGY

In a new partnership with San Diego Community Power in 2022, Petco Park became the first National League ballpark to run completely off clean, renewable energy.

#BrownIsBack

On November 9, 2020, the Friar Faithful witnessed the unveiling of the team's new brown and gold uniforms. Nearly 4,000 fans were on hand as Padres shortstop Fernando Tatis Jr., 1B Eric Hosmer and third baseman Manny Machado modeled the new threads. The new primary home pinstriped uniform features "PADRES" across the chest in brown with a gold outline, brown and gold piping and the return of the Swingin' Friar in the form of a sleeve patch. The road uniform is brown with a gold "SAN DIEGO" across the chest along with gold piping and the Swingin' Friar patch.

The road alternate features a lighter sand brown color scheme with pinstripes and a brown with gold outlined "SAN DIEGO" across the chest. With the new road color scheme, the Padres are now the only team in Major League Baseball to not utilize any gray road uniform. In bringing back the brown, Padres ownership made a point to seek out the feedback of their loyal fanbase and implement this change that signifies a new era in Padres baseball. The unique color scheme also sets the club apart from the rest of Major League Baseball. In addition to the three new brown and gold uniforms, the Padres also unveiled new Sunday military brown camouflage jerseys to be worn as part of their Military Salute Sunday home games.

CITY CONNECT

In Summer 2022, the Padres unveiled their Nike City Connect Series jersey, becoming the seventh and final MLB club of 2022 to debut the new uniforms. Making its on-field debut at Petco Park on July 8, 2022 and worn every home Friday for the remainder of the season, the Padres collection is a nod to the coastal community we live in. It's inspired by the vibrant landscapes in the San Diego and Baja California communities, from the scenic views up and down the coastline, to the ocean's white foam and the stunning pink and yellow sunsets. The vintage typography reminds San Diegans of weathered beach signs marking the special spots they cherish from Oceanside to Imperial Beach and everywhere in between. The uniform's bold colors and decorative details depict the radiant artwork that is prominent within our shared culture, as the Padres are proud of our binational fan base and the region we call home.

PETCO PARK STATUES

MR. PADRE

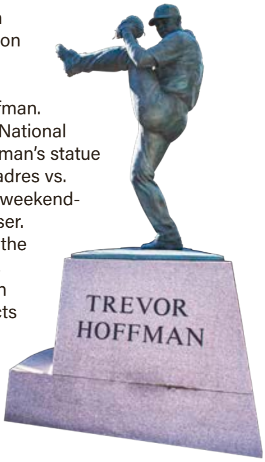

The nine-foot, 1,200-pound bronze likeness of "Mr. Padre" was unveiled prior to the Padres vs. Phillies game on July 21, 2007 as part of "Tribute to Tony Weekend," honoring the 2007 National Baseball Hall of Fame inductee. The statue was molded by sculptor William Behrends, whose artistic credits include a statue of Willie Mays at San Francisco's AT&T Park. The statue and surrounding plaza includes bricks with personalized messages from fans to Gwynn.

THE COLONEL

On September 15, 2012, the Padres honored the late Jerry Coleman's 70 years in baseball and his 40 years with the Padres in a pre-game ceremony at Petco Park, during which the club unveiled a bronze statue of Coleman at the ballpark, standing at 7.5' tall, weighing 650 lbs. It depicts Coleman in the uniform he wore as a pilot in the Marine Corps. San Diego Mayor Jerry Sanders proclaimed the day "Jerry Coleman Day."

TREVOR TIME

"Hells Bells" blared through the speakers at Petco Park on August 18, 2018 as the club celebrated one of its most iconic figures in Trevor Hoffman. After his induction into the National Baseball Hall of Fame, Hoffman's statue was unveiled prior to the Padres vs. D-Backs game as part of a weekend-long celebration for the closer. William Behrends sculpted the nine-foot, 1,000 lb. likeness, which overlooks the bullpen in left-centerfield and depicts Hoffman's signature high leg kick.

FUTURE PADRES: YOUTH BASEBALL & SOFTBALL

In 2022, the #FuturePadres Youth Baseball and Softball Program presented by UC San Diego Health, provided more than 20,000 youth baseball and softball uniforms at no cost to local leagues.

With support from UC San Diego Health and US Bank, the Padres' investment in local youth baseball and softball has saved leagues over $5 million. By providing jerseys, caps and visors, these youth leagues reallocate funds towards other areas of need such as field maintenance, purchasing equipment and concession stand improvements. In some cases, leagues have been able to significantly lower or eliminate registration fees, creating an opportunity for more kids to play baseball and softball.

PADRES BASEBALL & SOFTBALL CAMPS

Launched in 2016, Padres Summer Baseball and Softball

camps feature five action-packed days of individualized instruction, marquee competitions, and special events for all skill levels, ages 4-12.

In 2023, campers can look forward to another year of character development and a unique Major League experience that creates lasting memories. Camp is offered at various locations throughout San Diego and includes an official camp uniform and a meet and greet with a current or former Padres player. The Padres Camp curriculum has adjusted to ensure safety for campers and staff while still offering a highly engaging, and fun experience for kids when they need camp more than ever. For more information, visit padres.com/playball.

PADRES ROOKIE LEAGUE (FORMERLY RBI)

The Padres are proud to provide free baseball and softball opportunities to underserved youth through the Padres Rookie League program. Padres Rookie League engages kids ages 5 to 18 in a program designed to teach life lessons and build self-esteem through both baseball and softball. HONORING THOSE WHO SERVE

Since joining Major League Baseball in 1969, the San Diego Padres have prioritized honoring and supporting San Diego's over 900,000 veterans, active duty and retired service members and their families. The Padres are widely regarded as MLB's "Team of the Military," and the club is known as the first Major League team to have a dedicated Military Affairs department. In the city with the largest military footprint in the world, the Padres are committed to ensuring that baseball in San Diego will continue to remain an affordable family venue for our entire military community. The Padres are proud to host Military Salutes at every Sunday home game, recognizing each branch of service, veterans, families and military milestones. For more information about the Padres' military outreach initiatives and military ticket discounts, visit www.padres.com/military.

In addition to the thousands of tickets given annually to the military community, the Padres offer tickets year-round to active duty military, veterans and their families year-round at a 25% discount on Military Sundays and 10% off all other home games through GovX.

MARINE RECRUIT SUNDAYS

The Padres long-standing tradition of hosting recruits from the Marine Corps Recruit Depot at Sunday home games prior to their graduation from boot camp will continue this season. These visits are significant because they represent the first time the recruits are permitted to attend a social event away from their rigorous training schedule and wear their USMC uniforms in public. When the health and safety environment allows, Marine recruits will once again become a fixture at Petco Park on Sundays.

REENLISTMENTS & PROMOTIONS

The Padres are proud to host service members who choose to reenlist and continue to serve our country. Formal reenlistment and promotion ceremonies can be held on the field at Petco Park prior to a home game—another small way in which the Padres thank our service members and their families for their continued dedication to our nation.

FIRST RESPONDERS

The Padres are proud to celebrate, honor and thank San Diego County's First Responder community and the organizations that support them. In recognition and appreciation of the First Responders' commitment to the citizens and community, the Padres have designated six games as First Responder Appreciation Games, bringing well-deserved attention to the hard work and service the various departments provide. First Responder Appreciation Games are dedicated to all first responder departments throughout the City and County of San Diego, including the San Diego Police Department and other county police departments, San Diego County Sheriff's Department, San Diego Fire-Rescue Department, California Highway Patrol, U.S. Border Patrol, Red Cross, FBI, DEA and other organizations on the front line of service to our community.

LOS PADRES

Throughout the season, the Padres will celebrate Baja California and Hispanic culture and traditions at Petco Park with authentic food, drink offerings, performances, recognitions and many other activities for all to enjoy. This year, Hispanic Heritage Weekend will take place during September, with activations and events planned throughout the weekend.

PADRES "ESTRELLAS" PRESENTED BY ARCO

The Padres, in partnership with local school districts and non-profits, will recognize and celebrate students from underserved communities who go above and beyond in the areas of civic leadership, academic excellence and improvement on three game days. The Padres Estrellas and their families will be hosted by the team to watch batting practice, meet Padres players and be recognized during the game. The Padres look forward to bringing back this exciting program in 2023.

COMUNIDAD AWARDS

In 2023, the Padres will celebrate the winners of the 12th annual Hispanic Heritage Comunidad Awards during a pregame ceremony this season. The awards honor community leaders or organizations that have made significant contributions to the region's Hispanic community within the Padres Foundation's four focus areas: LIVE (health & mentorship), LEARN (education), PLAY (recreation) and SERVE (volunteerism, military and first responders). Each nominee is selected from each category by the Padres Hispanic Community Advisory Council with the Padres Foundation making a donation to each of the non-profits chosen.

CROSS BORDER PARTNERSHIP

The Padres resumed their annual Tijuana baseball and softball clinic to support youth baseball and softball in the region that included pitcher Daniel Camarena, Pad Squad and Friar. During this event, Padres branded jerseys and hats were distributed to over 200 boys and girls. A group of Padres executives also traveled down to Tijuana to build and decorate a new home for a deserving family through the organization Build A Miracle. Padres Tijuana community partners include: Build A Miracle, Boys and Girls Club, youth baseball and softball leagues, the local sports institute IMDET (Instituto Municipal del Deporte en Tijuana), Hospital General, Hospital Infantil de las Californias, local food bank Banati and others. The goal for 2023 is to hold more baseball and softball clinics in Tijuana. In addition, the Padres will host the San Francisco Giants in Mexico City, Mexico at Alfredo Harp Helú Stadium and plan to partake in a community event on April 28.

CHARITY TICKET PROGRAM

The Padres Charity Ticket Program provides complimentary tickets to non-profit organizations with a primary focus on disadvantaged youth who likely would not be able to attend a Padres game. Each season, the Padres team up with Major League Baseball to donate complimentary tickets to deserving non-profit organizations. The Padres are proud to work with Tickets for Kids to assist with the distribution of our charity tickets. If your nonprofit or youth organization would like to apply for tickets, please email community@padres.com for more information.

COMMUNITY APPEARANCES

Padres players and alumni make hundreds of appearances in the San Diego and Baja Community in support of club initiatives and local non-profits. These appearances give fans a chance to connect with players and alumni and tighten the bond between the Padres and their community. Appearances include the Padres Holiday Giving initiative, the annual Padres Thanksgiving Turkey Distribution, Rady Children's Celebration of Champions and more. During the season, Padres players visit with members of the Armed Forces both at Petco Park

and on military bases, ships and hospitals located throughout San Diego County. Email community@padres.com for more information.

PADRES FANTASY CAMP

Re-launched in 2019, the Padres Fantasy Camp offers an annual week-long experience at the Peoria Sports Complex in Peoria, AZ. Campers spend the week getting the full big-league Spring Training experience while receiving instruction from notable Padres alumni and coaches. All net proceeds from Fantasy Camp benefit the Padres Foundation. 2023 Fantasy Camp is currently scheduled for the week of January 16, for more information visit, padres.com/fantasycamp.

Students ages 18 and under working in conjunction with a local non-profit organization to support underserved segments of our community received grants ($20,000 total) to support their efforts.

DINNER ON THE DIAMOND

The inaugural Dinner on the Diamond benefitting the Padres Foundation was held on July 6, 2022. Guests dined on the playing field alongside the entire Padres roster, coaches and ownership. The event featured a special program hosted by Don Orsillo and Mark “Mud” Grant and a performance from Grammy award-winning artist Miguel. Dinner on the Diamond raised more than $500,000 for the foundation and its charitable partners making it the largest single-day fundraiser for the Foundation. Dinner on the Diamond is scheduled for May 18, 2023.
